

HOPE For All[®]

Shining God's Light

Annual Report 2023

Quick to Listen...Slow to Speak

When we are invited into the home of a client, we listen with compassion and open hearts. We strive to let them know that God cares about them, and will be there for them in their time of great need.

As we serve more and more families, we remind ourselves to shine God's light on each person we meet. Their dignity is paramount when we serve them. Helping people in our community get back on their feet, providing a sense of normalcy to their daily lives, and offering them the essentials they need to greet a new day is a privilege that we do not take lightly.

With God's grace, we will continue to shine our light in the hope that our clients can flourish.
